Letter dated 20 May 2000 from the Chargé d'affaires a.i. of the Permanent Mission of Yugoslavia to the United Nations addressed to the President of the Security Council

I have been instructed by my Government to request an urgent meeting of the Security Council following the failure of the Presidency of the European Union to extend an invitation to the Federal Republic of Yugoslavia to participate in the Ministerial Meeting of the Peace Implementation Council to be held in Brussels on 23 and 24 May 2000. The Council should condemn the act of non-invitation of a signatory party and a guarantor of the Dayton-Paris Peace Agreement, as well as a State member of the Peace Implementation Council. That act is contrary to the goals and objectives of the Agreement and relevant Security Council resolutions and is aimed at revising and eventually dismantling the Agreement, which may lead to the destabilization of Bosnia and Herzegovina and threaten the peace in the region.
